MEMORANDUM FOR: DIRECTOR, ~~OFFICE~~ OF NAVAL INTELLIGENCE

SUBJECT:

1. On behalf of the Central Intelligence Agency, I desire to extend my thanks and appreciation to Captain Edward T. Layton and the staff of the Naval Intelligence School, Anacostia, for an extremely fine demonstration of the relationship of intelligence to an amphibious operation which was presented to a selected group of this Agency on 12 May 1950.

2. I particularly wish to commend the outstanding performance of Lieutenant Commanders Armstrong and Kalin and Lieutenant Newell in making the presentation. It is felt that this demonstration contributed much to a better understanding on the part of our personnel of the intelligence problems involved in the planning and conduct of amphibious operations.
